BAROSSA VALLEY

# Veritas OLD SHED TOKAY

*Winemaker: Rolf Binder.*

**The Binder family have been making premium fortified wines since the 1960's and today, second generation winemaker, Rolf Binder, continues the tradition.**

A tribute to the old shed where Rolf Heinrich Binder first started making fortified wines in the late 1960s. We are lucky to now be able to blend this wine using many of those old barrels from that era.

Time and expertise in fortified winemaking has produced this smooth and rich fortified wine, made from estate grown white grapes.

The nose displays lovely toasty caramel, vanilla, cinnamon and honey notes.

On the palate, enjoy the creamy, caramelised apple and spicy, fruit mince flavours.

The Old Shed Tokay is an ideal accompaniment to desserts, or serve it chilled as an aperitif. Delightful on ice cream!
