ROLFBINDER MAGPIE ESTATE JJ·HAHN

# Three Great Barossa Brands...

Second generation sibling winemakers, Rolf Binder and Christa Deans have been producing wines together for more than 25 years, continuing the family legacy that their parents began when they established the winery business in 1955.

## ROLF BINDER

Established by Rolf Binder Senior in 1955, a Hungarian Industrial Chemist who worked with his Austrian wife, Franziska, to develop premium vineyards in the Barossa and build the 'Veritas' brand. The winery business was renamed 'Rolf Binder' on the 50th anniversary to honour their late father who passed away in 2003. Now exporting into 20 countries with over 100 hectares of family estate vineyards.

## MAGPIE ESTATE

Magpie Estate is a partnership between UK wine merchant, Noel Young, and Rolf, adopting the larrikin of the Australian sky - the magpie - as their mascot. Driven by the desire to highlight the Barossa Valley's rich resources of Rhône Valley varietals and to have a laugh or two along the way. It's a really interesting range of bright, juicy wines that are extremely food-friendly.

## JJ·HAHN®

The JJ Hahn brand was created in 1997 as a joint venture between sixth generation Hahn family vigneron and Rolf. These classic Barossa red wines represent solid, easy drinking wines at incredible value for consumers.
